Company Name:
Black Telegraph

Company Description:
We are a company that develops new ways to connect by combining a dedicated team with an easy to use interface. Our main product is a website that you can use wherever you are and implements new creative techniques. Our target audience is college students. We want to convey a sense of eagerness, while at the same time being calm.

Job Description
You must create a website that will mainly make it easy to contact the company. The goal is to provide a great user experience. Besides the landing page, the website will need a contact page, shop page and a terms of service page. The landing page should have a About the Team section. There should be a call to action to get users to follow the company's social media. They would prefer a trendy design, and would like you to use the brand color, which is purple. Take into account the client's preferences and values.
